

Position: Registered Hearing Aid Dispenser

Full Time: Permanent

Salary: Salary plus share of profit

Working: Monday to Friday

Location: Nottinghamshire

About UK Hearing Centres

UK Hearing Centres is a successful Independent Hearing Care Provider based in Cheshire. Their success is based on offering the best patient care and a full spectrum of private hearing care solutions.

General Summary of the Purpose of the Position

Due to their expanding clinic base, a unique opportunity has arisen in this geographical area. UK Hearing Centres are looking to recruit a professional and passionate Hearing Aid Dispenser. This position will be part of a joint venture opportunity based in Nottinghamshire. This is a fantastic opportunity for a hearing aid dispenser to be a part owner along with an established highly successful independent company.

You will be responsible for:

- Managing and setting your own schedule and diary
- Delivering patient hearing care services
- Setting the highest standard of patient care

Skills and Qualifications

- Qualified Audiologist / Hearing Aid Dispenser (Essential)
- HCPC Registered
- Minimum 2 years' experience as a Registered Hearing Aid Dispenser
- Full clean driving licence

Core Competencies

- A passion for delivering excellent customer service
- A motivated self-starter
- Excellent organisational skills

In return we will offer you:

The opportunity to build your own business with all the rewards associated, you'll be able to see your hard work pay off by partnering with an already established audiology business.

To apply, please send your CV and covering letter to

aberg@ukhearingcentres.co.uk

Closing date for applications Friday April 29th 2022.
